

Dear

Hey, I'm here! Today's the day!
Hope you didn't think I'd stay away!
Christmas is coming, hooray, hooray,
I have definitely been waiting all year for this day.

Although I'll be watching closely each day
It would be great if you are always kind, okay?
All year long, not just in December,
But in April, May, June, and even November!

What I want from you this year is not only goodness,
This year I want you to learn the meaning of kindness,
So help someone at school, or hug someone who's sad,
I know that little acts of kindness will make you feel glad.

And one more thing, I know that presents are fun,
But be thankful for everything you have, little one,
Your family that loves you, your home and your friends,
Those are the things you should treasure in the end.

Love your elf,

PS- If you wake up and find that I am in the same spot
It's probably 'cause I've been traveling a lot,
I may just need a day to rest
I'm sure you understand because you're the best!
