

# ELF HUNT

Today I'm hiding really well,  
But want to find my spot?  
You'll need to read some clues,  
Here's the first one, ready or not!

# SURPRISE!

You found me!  
Hope you had fun!  
XOXO

The next clue can be found,  
In the nook,  
Where you always keep,  
Your many books!

#1

Clue number three  
Can be found in the cold,  
Where you keep your food  
So it doesn't grow mold.

#2

After all this searching  
Are you thirsty, need a drink?  
The next clue is where you'll  
get one  
If you take a minute to think.

#3

Are you hungry?  
Take a seat!  
Find the fifth clue  
where you eat!

#4

When you get sleepy,  
You lay down your head,  
On this fluffy, puffy thing,  
That you keep on your bed.

#5

At last you've arrived at your  
final clue,  
The code you soon will crack,  
I think that you will find me,  
Where you go to get a snack.
