

**Here is your first Easter  
riddle,  
don't worry,  
I'll keep it simple,  
I come in pairs,  
please wear me quick  
so you can run and  
find the next trick.**

**Go ahead and take a hop,  
read on to find your next  
stop,  
this provides shade on a  
sunny day,  
and in the fall,  
its colors are on display.**

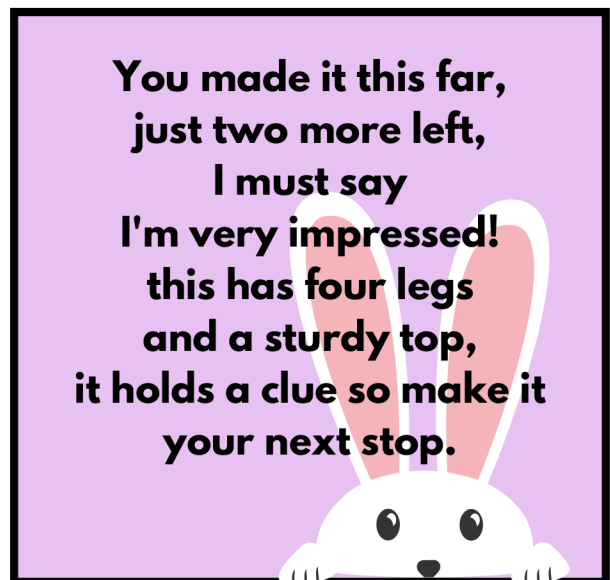

**You're doing great,  
but you're not done,  
let's go find another one,  
in the front of your home,  
it's where you get in,  
go and see what you  
can find within.**

**Please tell me,  
are you tired yet?  
Don't stop now,  
you'll be upset!  
Spring is here and  
birds need to eat,  
this is the perfect place  
for a tasty treat!**

**You're getting near,  
just a few more,  
and this next clue  
you will adore,  
in the Summer you'll see a  
colorful display,  
in this place where  
blossoms bloom everyday.**

**You made it this far,  
just two more left,  
I must say  
I'm very impressed!  
this has four legs  
and a sturdy top,  
it holds a clue so make it  
your next stop.**
