

**Wanna go
on an outdoor hunt?
Let's get started, don't sit!
First look near the object
that stores water in it.**

**Do you love the outdoors?
Are you soaking up the
heat?
Go now to the place
where you grill up some
meat.**

**Get ready for more fun,
get ready to roam,
find another clue
on the path
that leads to
your home.**

**Is this scavenger
hunt easy,
or are you mad at me?
You might now
want to look
near a very tall tree.**

**This one might take you
awhile,
but you won't have to go
far,
another clue is waiting,
somewhere inside the car..**

**Ready to do some serious
searching?
Let's take a walk!
I bet you'll find another
under a big rock.**

**Think you can find
every last clue?
You'll be a hero!
Now you've just
got to peek
in the correct window!**

**A rose or a daisy,
what will it be?
Whatever the flower
a clue is what you'll see!**

**Are you getting tired?
Need to rest for a bit?
Go to this place
where you can sit.**

**Your last clue has arrived,
it's time to rejoice,
your treasure hunt ends
when you find your
outdoor toys.**

**I hope you had fun
exploring outside today,
you've found all the clues,
while you're out here, you
should play!**
